

Blessing Banner

Each student will create a banner full of blessings. You are to use pictures, magazines, crayons, markers, tissue paper, construction paper, glitter; whatever you want or need to create your blessing banner. I will provide white construction paper and you will do the rest. Remember, this is a collage of all the blessings in your life. Include all things you are thankful for and grateful to have in your life. Hobbies, talents, special abilities may be included. Do take this project seriously, but also have fun with it! **All banners are due: 1/18.**
