Two book reports per quarter are required.

## Directions for Reading Contract Completion

1. A minimum of eight (8) book reports are required, two (2) per quarter. You may complete your book reports at a faster pace than two per quarter if you wish.
2. You must read the following seven genres plus read a book with a group, which may be in any of the seven genres. Some books may be considered under more than one genre.

<b><u>Genres</u></b>	HF –	Historical Fiction
	RF –	Realistic Fiction
	H –	Humor/Graphic Novel
	NF –	Non-Fiction
	M –	Mystery
	F –	Fantasy/Science Fiction
	A –	Adventure
	GR –	Group Read

The group read means you must read the same book as one to three other students and complete a book report together. There are specific book reports suggested for group reads. The group read will be completed in the 4<sup>th</sup> quarter.

3. Once you have your book, choose a book report idea. It is best to choose what you will do for a book report before you start the book. This will help you focus on the report as you read through the book. Some book reports require you to complete them while reading the book.
4. Both your book and choice of book report must be approved by the teacher.
5. Then have fun reading and give your best work with your report. I suggest you complete your book report prior to starting your next book report book.

Listed below are several types of book reports:
