NEWS from the Notre Dame Box Tops for Education Committee

Hello Everyone! We have a lot of news to share with you...

First, our three competitions and Free Dress day in 2009 were a HUGE success. We just received a check for \$975.50 from the Box Tops for Education program and we already have over 1,000 more Box Tops to submit by the final deadline for this school year, which is February 28, 2010.

Secondly, we would like to thank everyone who participated in the three competitions and the Free Dress Day events. We would especially like to recognize the following individuals:

- Competition #1 "Choice of iTunes gift card or Daily Scoop gift certificate" --- Top students that submitted the greatest number of Box Tops during the collection period: **Lexi White, Maggie Morales, Jacqueline Dorsett, Bradley Domke, Brianna Comstock, and Jack Costello.**
- Competition #2 "Ice Cream Sundae Treat" --- Class with the greatest percentage of Box Tops collected during the two-week collection period: **Mrs. Alsobrook's 1st Grade Class!!!**
- Competition #3 "Free Hot Lunch" --- Top three students* that submitted the greatest number of Box Tops during the collection period: **Sophia Cullotta, Aidan Creighton, and Jack Shannon.** (*Due to the way the Box Tops were submitted, we were only able to determine these students as winners.)

Finally, our **next Free Dress Day is February 19, 2010.** We need everyone to participate so that our final Box Tops amount for this school year is the best that it can be. Every student will be required to bring in **a minimum** of 10 Box Tops to enjoy the Free Dress Day. However we have a **BONUS prize**...the student that brings in the most Box Tops (greater than the 10 Box Tops required for Free Dress) will receive a **\$10 iTunes gift card.** **So be sure to put the Box Tops in a Ziploc bag or envelope and mark it with your child's name and total number of Box Tops enclosed.**

Thanks again for all of your support and participation. We look forward to a BIG and successful collection in February!
