

Show & Share

We will be having a sharing time each day in our class. Each child will have an assigned day, each week, to share an item with the group. I will inform you of the theme for sharing each week in our newsletter. I will usually have the children bring an item that starts with the letter of the week or bring something related to our theme. Each child's sharing day is listed below. This will be his/her day throughout the school year. Next week, Aug. 31st, please bring in an item beginning with the letter "M".

Secret Treasure

In addition to the weekly Show & Share we will also be bringing a secret treasure to share. The items are to remain "top secret". Your child's item will be placed into a brown bag and sealed. Three clues should be written on the brown bag. The class will guess what the item is at the end of the week. When an item is selected we will attempt to guess what is in the bag and the owner will share with us why it is special. This item must be small enough to fit into a jewel bag. It is not necessary for this item to be related to the letter or theme of the week. This event is more comparable to "show and tell" as opposed to our above mentioned "show & share". The item may be brought in on any day of the week and will be sent home on Friday with your child.
